

# Climbing Wall

**T**his four position rigid 24 foot wall provides the ultimate climbing challenge. Each station represents varying degrees of difficulty, for beginners to accomplished climbers and everyone in between!

#### Climbing Wall Features:

- The wall is equipped with an auto-belay counterforce safety system
- Sets up indoors or outdoors in just 30 minutes

#### Promotional Opportunities:

The climbing wall is always the tallest attraction on the event floor. Sponsor banners can be hung from the ceiling above the wall in prominent view of the attendees.

Space requirements: 40 foot wide by 40 foot deep, ceiling height of at least 30 feet and a minimum door opening of 10 feet by 10 feet
