

Long Putt Contest

Great fun for attendees of all skill levels! We use a two station putting set-up to challenge the putting skills of the attendees. Everyone putts from a qualifying distance of 60 feet. There is a “Putt-Off” before the end of the event. The winner of the “Putt-Off” gets one opportunity to putt from 90 feet and win the grand prize. The grand prize can be \$10,000, an automobile, a motor cycle, etc. There is one contest for both men and women.

Long Putt Contest Features:

- This is not your typical 10' by 10' booth putting contest! 60 foot long qualifying putts provide many seconds of exciting suspense as the ball takes its long journey towards the hole

Promotional Opportunities:

Banners and signs can be placed at prime locations for spectators to view while they watch contestants putt for the big prize.

Space requirements: *10-20 foot wide by 100 foot long

* Single station contest can be run with 10 feet of width.
