

# M-4 Flight Simulator

**F**light simulation at its best! Two passengers have the thrill and excitement of 360 degree hair-raising motion. They will pivot, spin, twist, roll, plunge, dive and soar without ever leaving the ground!

#### M-4 Flight Simulator Program Features:

- P-51 Mustang – Vintage WWII aircraft performing aerobatics over the Mojave Desert
- Jet Intercept – A4 Skyhawk chasing a T33 at speeds exceeding 500mph!
- Survival 2006 – Earth hit by meteorite! Must get off the planet quickly for survival on the moon
- Mission: Life Force – Your squadron of X-wing Fighters must battle Bilothium Pirates who are sucking all the energy from the galaxy's planets
- Canyon Rider – Thrilling trip through the Grand Canyon
- Bottle Nose – Underwater adventure in a one-man submarine

#### Promotional Opportunities:

Large ads can be placed at strategic locations outside the simulator for viewing by the attendees waiting in line.

Space requirements: 20 foot wide by 30 foot long
