

# Soccer Field

**T**his indoor soccer field is well equipped with Astro Turf, perimeter netting, and goals.

## Soccer Field Features:

- Safety: Nerf soccer balls are used to eliminate the issues associated with a hard soccer ball

## Promotional Opportunities:

This is a perfect setting for sponsorship by local male and/or female professional soccer teams and their sponsors. Also provides a great opportunity for team players to make appearances and play 3 on 3 with kids in their uniforms.

Space requirements: 30 foot wide by 50 foot long
